Genesis 41 - 45

Part 3

1. God reconciles Joseph to his family.

2 Corinthians 5:18- 19 All this is from God, who reconciled us to himself through Christ and gave us the ministry of reconciliation: 19 that God was reconciling the world to himself in Christ, not counting people's sins against them. And he has committed to us the message of reconciliation.

2. Jacob sees his son again.

3. Joseph forgives his brothers.

Alexander Pope: "To err is human; to forgive, divine."

4. God preserves two nations.
